What are the causes and is there a 'cure'? - National ... The causes of autism are still being investigated. Many experts believe that the pattern of behaviour from which autism is diagnosed may not result from a single cause, and that there are genetic factors. We welcome research into all areas which may further our understanding of autism. Causes - Official Site Causes is the place to discover, support and organize campaigns, fundraisers, and petitions around the issues that impact you and your community. Obesity - Causes - NHS Obesity is generally caused by eating too much and moving too little. If you consume high amounts of energy, particularly fat and sugars, but don't burn off the energy through exercise and physical activity, much of the surplus energy will be stored by the body as fat.

The Causes of the Vietnam War - History Learning Site The causes of the Vietnam War were derived from the symptoms, components and consequences of the Cold War. The causes of the Vietnam War revolve around the simple belief held by America that communism was threatening to expand all over south-east Asia. What is climate change? The definition, causes and effects ... Climate change is the catch-all term for the shift in worldwide weather phenomena associated with an increase in global average temperatures. It's real and temperatures have been going up around. Psoriasis - Causes - NHS Psoriasis occurs when skin cells are replaced more quickly than usual. It's not known exactly why this happens, but research suggests it's caused by a problem with the immune system.

Causes | Facts " Climate Change: Vital Signs of the Planet A layer of greenhouse gases " primarily water vapor, and including much smaller amounts of carbon dioxide, methane and nitrous oxide " acts as a thermal blanket for the Earth, absorbing heat and warming the surface to a life-supporting average of 59 degrees Fahrenheit (15 degrees Celsius. Causes | Define Causes at Dictionary.com a principle, ideal, goal, or movement to which a person or group is dedicated: the Socialist cause; the human rights cause. the welfare of a person or group, seen as a subject of concern: support for the cause of the American Indian. Philosophy. the end or purpose for which a thing is done or produced. Cause - definition of cause by The Free Dictionary Synonyms: cause, reason, occasion, antecedent These nouns denote what brings about or is associated with an effect or result. A cause is an agent or condition that permits the occurrence of an effect or leads to a result: "He is not only dull in himself, but the cause of dullness in others" (Samuel Foote).

Global Warming Effects and Causes: A Top 10 List The facts about global warming are often debated, but unfortunately, even if we disagree about the causes, global warming effects are real, global, and measurable. The causes are mainly from us, the human race, and the effects on us will be severe.
